Motorbike Chain Spray white

Description

Fully synthetic chain spray for optimum lubrication through visible white, ceramic application to the chain. Offers good adhesion properties, low spin-off, and reliable wear and corrosion protection, even with adverse environmental influences such as splash water and road dirt. Reduces chain elongation and extends the chain's service life.

Properties

- friction and wear reducing
- highest load-carrying capacity
- excellent adhesion
- outstanding corrosion protection
- resistant to acceleration forces
- reduces chain elongation
- especially cold, hot and splash-water resistant
- excellent penetration action

Technical data

Color / appearance	white
Form	aerosol, liquid
Density	0,85 g/ml
Odor	characteristic

Areas of application

For all motorcycle chains with and without O-rings and X-rings.

Application

Before use, clean the chain with Motorbike Chain and Brake Cleaner (part no. 1602). Then shake the can well and spray the chain. The lubricant attains its final consistency and adherence once the solvent has evaporated.

Available pack sizes

50 ml Can aerosol	1592 DE-EN
400 ml Can aerosol	1591 DE-EN-ES-PT
400 ml Can aerosol	5981 DE-FR-IT-NL
