

# Folding Lock Bordo Centium

Art. no. 20154

Page 1 of 1

## Technology

- 5 mm steel bars, with synthetic coating to prevent damage to the bicycle's paintwork
- Link construction allows compact folding
- Stainless steel case with manual cover for the keyhole against dirt and corrosion
- The bars, the links as well as supporting elements of the locking system are made of special hardened steel
- Bars are linked with special rivets
- ABUS Plus cylinder for high protection against manipulations, e.g. picking
- Two keys are supplied with the lock

## Operation and use

- Good protection at medium theft risk
- Recommended for securing good bicycles

## Transport

- Easy transport thanks to practical holder
- Flexible mounting with non-slip velcro straps
- Mounting on nearly every part of the frame possible, the lock can be easily removed sideways

## Tips

- This lock can be ordered keyed alike to other locks. This means several locks would match one key, respectively key code
- Bordo family: Ideal combination of resistibility, weight and transport size
