## **RFX3** **REPLICA**

**Brand new design. A sports and road glove aimed at those seeking discreet protection.** The PU knuckle protection shells and the memory-foam finger protection are well presented and fulfil their role perfectly, but are concealed beneath the glove's leather upper. This allows it to carry a large but discreet printed FIVE pictogram. Full-grain leather structure. TPR cuff protection and protective palm slider. Velcro adjusting strap beneath a protective leather flap to reduce the risk of the glove being torn off in the event of a fall. The RFX 3 Replica offers an excellent compromise between comfort and protection, modernity and tradition. V-FIVE Signature.
