

WOMAN

WFX SKIN WOMAN WP

New Design. The structure of this winter city and suburban glove is mostly made of leather, along with a number of fabric insets for comfort and freedom of movement. In the women's version it has a quilted effect on the topside. Hipora® breathable waterproof membrane. 180 g Thinsulate™ lining. PU knuckle shells and finger guards concealed beneath leather. TPR palm slider. Leather palm. Palm and thumb reinforcement in perforated Clarino® for optimum grip. Easy-on/off thanks to its single Velcro adjustment strap. Metal FIVE logo. Extreme comfort. A glove with all the elegance of urban living. Shape adapted to the form of a woman's hand.

Available sizes : S to XL
Colors : Black/White
