

# FINGERLESS M-PACT<sup>®</sup>

## TACTICAL HAND PROTECTION

The M-Pact<sup>®</sup> Fingerless Covert glove is designed to protect law enforcement from impact and abrasion injuries in the field without compromising tactile control. Anatomically designed Thermoplastic Rubber (TPR) protects the back of the hand from impact, small cuts and abrasions without hindrance. The palm is reinforced with durable Armortex<sup>®</sup> and padded with D30<sup>®</sup> to absorb and dissipate energy through the palm of your hand. When you need the control of bare hands without sacrificing protection, reach for the M-Pact<sup>®</sup> Fingerless.

### FINGERLESS DESIGN

Fingerless design provides maximum dexterity.

### IMPACT RESISTANCE

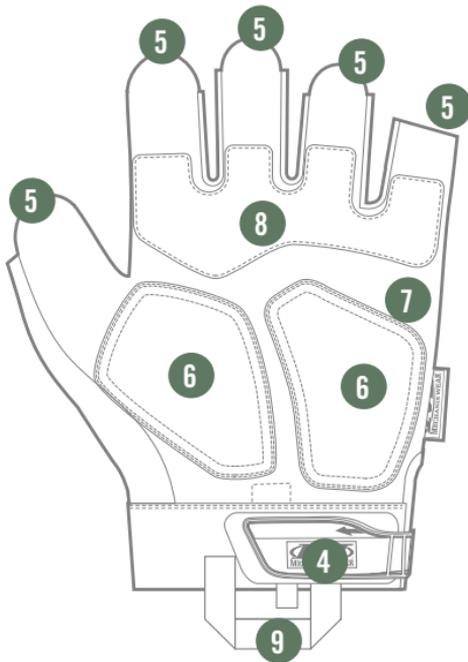

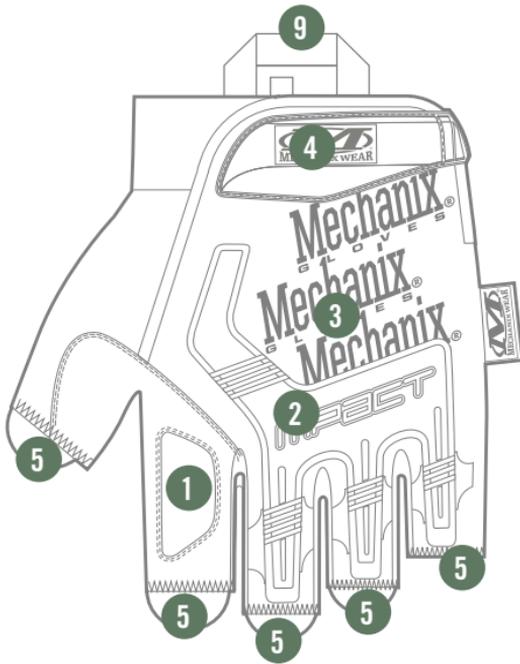

D30<sup>®</sup> palm padding absorbs and dissipates high-impact energy through the palm.
